

**A FAST AND RELIABLE  
 A3 SCANNING SOLUTION.**

Epson's A3-sized WorkForce scanners deliver blazing fast scanning performance at up to a maximum of 70ppm/140ipm. Bundled with Epson's Document Capture Pro software which offers Scan-to-Print, Scan-to-Cloud, email and FTP, document management becomes a breeze.

-   
Scan up to A3
-   
Speed up to 140 ipm
-   
OCR
-   
Ethernet
-   
Power Savings

**IT'S IN THE DETAILS.**

**High Speed Duplex Scanning**

Increase your productivity with high speed one-pass duplex scanning at up to 140ipm.

**Reliable and Convenient ADF**

200-sheet high capacity ADF with ultrasonic sensor to prevent double-feeding, with settings for standard or thin paper scanning.

**Optional Network Support**

With this option, users can share the scanner by using their PC or scan directly through the network.

WorkForce series scanners excel in delivering exceptional scanning performance and reliability. A3 documents, books and odd-sized objects are scanned at blazing fast speeds of up to 80ipm on the DS-60000 and 140ipm on the DS-70000.

### High Speed Duplex Scanning

The DS-60000 and DS-70000 scan with impressive speed in both simplex and one-pass duplex modes, resulting in significant improvement in office productivity.

**Scanning speed:**

**DS-60000:** 40 ppm (simplex), 80 ipm (one-pass duplex)

**DS-70000:** 70 ppm (simplex), 140 ipm (one-pass duplex)

### Reliable and Convenient ADF

High-capacity 200-sheet ADF readily accepts a wide variety of standard or thin paper documents\*. It is fitted with an ultrasonic sensor which prevents double-feeding and alerts users in the event of a mis-feed.

\* Paper Document Size < A6 = 60-190gsm; All other sizes = 50-128gsm

## Optional Network Support

With optional network interface panel, scanners can be shared amongst a work group without the need for USB connections. Users can easily select desired PC within the network via Document Capture Pro application installed on Client or Server PC.

Easy navigation of job settings with LCD panel on network interface panel.

## High Durability and Endurance

WorkForce scanners are designed to support the needs of busy offices and workgroups. DS-60000 is rated for a high daily duty cycle of 5,000 pages, while the DS-70000 boasts an even higher rating of 8,000 pages per day.

## Easy File Management

### Document Capture Software\*

Epson document scanners come bundled with document management software that allows you to easily manage your scanned files.

Easily scan, view, edit, save and transfer scanned documents. The software optically recognises barcodes, characters and blank pages in scanned documents to separate them into different folders. It allows you to create up to 30 customised job settings, making multiple scan jobs a breeze.

The software also provides quick access to post-scan destinations, including scan-to-print, email, Windows® Public Folder, FTP, Web Folder, and Scan-to-Cloud services such as Microsoft® SharePoint Server, Evernote®, Google® Drive™ and SugarSync®.

\* Document Capture Pro (Windows), Document Capture (Mac OS X)

## Saves Time, Money and the Environment

WorkForce A3-series scanners are equipped with energy-saving LED light sources that require zero warm-up time. The result is instantly responsive scanning with lower power consumption. Each model has a power-saving sleep mode that reduces energy consumption even further.

## Fast and Flexible A3 Scanning

The flatbed scanner lets you quickly and easily scan A3-sized and wide-format documents such as maps, drawings, or large bound books and even odd-shaped articles. Images, graphics and text are captured with amazing clarity and accuracy.

### High Quality and High Speed

With its high-resolution 1200 dpi CCD sensor, images, graphics and text are captured with amazing clarity and accuracy. Fast scanning speeds at 300dpi deliver quicker results over other scanners in its class.

## Epson Scan 2

### Text Enhancement

Improves text recognition when scanning text documents, whether in colour, greyscale or black-and-white. Removes background for better clarity, which is especially useful for double-sided printed documents.

### Document Skew Correction

Automatically adjusts and straightens scanned images.

### Colour Enhancement & Colour Dropout

Remove or enhance the visibility of ink signatures such as “Confidential” and “Urgent” stamps. Users can pick one of the preset colours (red, green, blue, pink, purple, yellow, orange, or all colours except black), or use the customised settings to dropout or enhance up to 5 colours of your choice with a single scan. Up to 10 preset colours can be saved for reuse.

### PDF Features for Added Convenience

The built-in OCR enables searchable PDF files. Secure your PDF files by setting a password to prevent unauthorised viewing, editing or printing.

## PARTNERS IN PERFECTION

### Epson Ink Tank System Printer L1300

The Epson L1300 is the world's first 4-colour, A3+ original ink tank system printer, bringing ultra-affordability to high quality A3 document printing.

### AcuLaser C9300N

The AcuLaser C9300N provides workgroups with superb A3 colour printing at 1200 dpi with outstanding reliability and lower running costs.

MODEL NUMBER	DS-50000	DS-60000	DS-70000
<b>Flatbed Specifications</b>			
Type	A3 flatbed colour image scanner		
Scanning Method	Fixed document and moving carriage
